That is the way all druggists sell Groves
Tasteless Chill Tonic for Chills and Mala-

tasteless form. Children love it. Adults pre-
fer it to bitter nauseating tonics. Price, 50c

Those who believe chronic diarrhoea to
be incurable should read what Mr. E. E.
Gresham, of Gaars Mills, La., has to say on
the subject, viz: "I have been a sufferer
from chronic diarrhoea ever since the war
and have tried all kinds of medicines for it.
At last I found a remedy that effected a cure
and that was Chamberlain's Colic, Cholera
and Diarrhoea Remedy." This medicine
can always be depended upon for colic,
cholera morbus, dysentery and Diarrhoea.
It is pleasant to take and never fails to ef-
fect a cure. 25 and 50 cent sizes for sale by

Mr. J. J. Davis left Thursday for Ten-
nessee, overland; he hunts a better farm-
ing country, but says he will be back to
Chipley in less than two years.
A few weeks ago the editor was taken
with a very severe cold that caused him to
be in a most miserable condition. It was
unoubtedly a bad case of gripple and
recognizing it as dangerous he took
immediate steps to bring about a speedy
cure. From the advertisement of Cham-
berlain's Cough Remedy and the many good
recommendations included therein, we con-
cluded to make a first trial of the medicine.
To say that it was satisfactory in its re-
sults, is putting it very mildly. Indeed, it
acted like magic and the result was a speedy
and permanent cure. We have no hesi-
tancy in recommending this excellent
Cough Remedy to anyone afflicted with a
cough or cold in any form.—The Banner of
Liberty, Libertytown, Maryland. The 25
and 50 cent sizes for sale by R. B. Bellamy
and J. R. Farrior.

A New Departure.
Who will take it up?
Many well to do families in this town
and county have put away in closets,
many garments that have outlived their
usefulness in the family. A good dress,
a good suit of clothes, many articles that
the children have outgrown; shoes partly
worn, now too small for the boys and
girls. The good housewives don't know
what to do with these things; they are all
worth something and would be purchased
readily by many who wish to make a lit-
tle money go a long way. Brush these
things up, darn the holes; have every-
thing nice and clean, then put a price on
them, and see how fast they will go.
Many children whose mothers think
they cannot send their children to school
for the want of clothes, could by this plan
be made neat and comfortable at a trifling
cost; and some children would get
an education that are now deprived of it.

Prof. Hathaway, one of Jackson county's
school teachers, left for Hartow this
week to enter the Military School. We
wish him a profitable stay there.
Mr. W. A. F. Bobo came in Thursday
day evening, having sold out his car of
horses. He will go for a visit to friends
in South Carolina and Nashville, Tenn.
Mr. J. D. Forrester went to Grand Ridge
Thursday to look after the machine busi-
ness; we are glad to see him able to be
at work again after his serious illness.
Mr. A. Sanders, of Mobile, was inter-
viewing our merchants. Mr. Sanders
says quarantine is not a nice thing; they
only kept him in Atlanta three weeks.
SAY!
Don't forget that Dekle is agent for the
celebrated New Home sewing machine,
and he sells them on the installment plan
too.
We are under obligations to Mr. San-
ders W. Davis for a nice melon last Mon-
day; he always remembers the poor edi-
tor when he has anything refreshing; it
was nice.
We were shown a sample of Washing-
ton county tobacco Thursday, by Mr. J.
P. Bryant, raised by Mr. J. P. Hurt. It
was pronounced to be as fine as any grown
anywhere.
Hon. S. M. Roberson was in town on
Thursday, and says that Orange Hill is
still at the same place; hog and hominy
is plentiful, everybody happy and at peace
with the world.
Mr. W. A. F. Bobo wishes to return
thanks to the good people of Chipley, and
especially those of Point Washington for
their kind treatment to him during his
stay among them.

Mr. J. D. Smith, the buggy man of Ma-
rianna, came in Thursday morning from
DeFuniak, where he had been on busi-
ness. He stopped off to interview our
people on the buggy question.
Sheriff L. F. Fennell of Gainesville, Fla
was a visitor here Wednesday. He came
after a negro that was wanted over there
for murder. Sheriff Allen and "Billy"
caught him for Sheriff Fennell.
Mr. Will Harper, from the northern
part of Jackson county, passed through
here Thursday on his way to Bonifay
where he expects to rob Washington
county of one of its fair daughters.
Mr. J. F. Barfield comes in this week
with a sample stalk of the famous Egyp-
tian cotton. It measures 10 feet high and
9 feet across. It has a very fine, long-sta-
ple, and would make a fine quality of
goods.
With 5c. cotton, 8c. meat and \$6 flour,
and no money to buy with, we would like
to know where the McKinley good times
come in. Armour, Haymeyer, Rockefeller
or some other fellow must be reaping the
harvest.

We have just received a copy of The
Florida Tobacco Leaf, Vol. 1, No. 1, pub-
lished at Tampa. It is brimful of good
tobacco reading, and should be read by
all who expect to grow tobacco. Success
to the enterprise.
Mr. T. T. Markham left Monday for
Marianna where he joins Mr. Langston
to build a nice residence in that city.
Messrs. Langston and Markham are good
workmen and we commend them to the
good people of our sister town.
Mr. L. C. Gay and wife, of Gay, Fla.,
accompanied by Mr. Gay's sister, Mrs. A.
V. Green, left for Georgetown, Ga. Tues-
day; the went as far as River Junction,
but had to come back, the river being so
low that no boats could go.
M. Eason Tharp, general manaufer of
the wood and tie business of C. Tharp,
was here Thursday; he reports things all
O. K. at Hagerman. Eason is an up-to-
date on wood and ties; if you have got
any of either to sell, call on him.

NOTICE!
One more time we call your attention
to the ruling of the Interior Department.
Send your application for final proof to
the paper PRINTED nearest the land. If
you don't, it may cause you trouble some
day. See?
Walter Holmes Johnston has just re-
turned from a visit at his old home in the
north, where he was presented with a
bronze cow bell, which now adorns his
jersey cow, Rose. The bell was made by
grand father, James Johnson, at the be-
ginning of the Mexican war, and used by
him on his horse at night during the
march when the horses were turned out
for grass. The bell although home made
has a clear tone and can be heard for a
long distance.

A Justice of the peace writing to the
Times-Union and Citizen has discovered
the legislature has made an unconstitutional
clause in the new election law relat-
ing to the election of Justices of the
peace. The new law provides that a jus-
tice of the peace shall be elected every
two years, while the constitution of 1865
says that Justices of the peace shall hold
office for four years.
